

KAKUZI PLC

Management Trainee Position

Kakuzi PLC wishes to recruit a freshly qualified graduate as **Management Trainee** to strengthen the management team in its Horticulture Division.

The Position exists for the purpose of training and developing a recent graduate with educational background in agricultural sciences to learn and understand our business and operation, with the intent to have a qualified individual available to fill progressively more responsible positions in future.

The job holder will be involved in coordination and control of the production activities of the farm under the supervision of Divisional manager.

The areas of responsibility will include new crop establishment, irrigation, crop nutrition, crop husbandry, crop protection, post-harvest procedures and Integrated Pest Management as well as management of employees and employee related issues.

Qualifications and person specifications

- Degree in Agricultural Sciences, preferably Horticulture with a minimum of second Class Honours.
- Strong organizational, communication, analytical, and problem solving skills.
- Positive and self-motivated individual.
- Willing to work in a farm environment.
- Be a team player with good interpersonal skills
- Be a person of Integrity

If you meet the above requirements, please send your CV, cover letter and relevant certificates and testimonials to the below address by **29/01/2019**.
